Whoa Spanglob who told you about our ramp?

It's in the newspaper

Ramp gets built 5 minutes ago Down town

What... so many questions I wanna ask...

Well anyways, the only way you can ride this is for 1/3 hrs

Okay!

WHOOA...

Dad I just got a great idea!

What if we made our own skate park then we'd make \$\$\$ by the end of the day!

Dude we've only got \$3 but if people keep coming to our ramp we'll have enough money for more stuff!

Yeah but that'll take weeks. And by then people will be bored with the old ramp. We need a job.

Hmm, True... Okay Flip a coin winner stays and loser gets a job at McDonald's

I call heads!

I WIN!

LATER!  
Welcome to McDonald's may I take your order?

I want a Big Mac and fries please.

Dude, shut up! I don't want in seven! How old are you?!

Step right up and ride the ramp  
TAKE A JUMP!

Excuse me do you happen to have any skis?!

We have the wack poses which is \$20 and give the ones that are cool - the wack poses which is \$35 worth free.

Will you have anymore stuff?

That's not what I'm asking... For more stuff is a whole different story!
